Computer Engineering Department
List of Elective Courses – B.Tech Computer Engineering (Batch 2022 - 2026)

Sr. No.	Elective Course Name	Area/Discipline
1	Advanced Web Programming	Computer Engineering
2	Mobile Application Development	Artificial Intelligence
3	Operations Research	Computer Engineering
4	Computer Vision	Computer Vision
5	Human Computer Interaction	Human Computer Interaction
6	Business Information Visualization and Analysis	Business Information Visualization and Analysis
7	Biometrics	Computer Engineering
8	Microservices and Architecture	Computer Engineering
9	Software Quality Assurance	Information Science /Technology
10	Deep Learning	Artificial Intelligence
11	Cryptography and Network Security	Information Science/ Technology
12	IoT and Applications	Computer Engineering
13	Natural Language Processing	Artificial Intelligence
14	Ethical Hacking	Information Science/ Technology
15	Blockchain Technology	Information Science/ Technology
16	Big Data Analytics	Data Science
17	Cyber Forensics	Information Science/ Technology
18	Robotic Process Automation	Mechatronics
